

## PRESS RELEASE

Midcounties Co - operative Sponsor Partnership

Midcounties Co-operative have become the first commercial sponsors of Shipston Town Management Partnership.

A donation from their "Co-operative Membership Community Fund" has been received to assist the Partnership with their communications strategy, including the development of the web site and publication of Newsletters for distribution to residents and businesses in Shipston-on-Stour.

Speaking for the Partnership, Graham Williamson, the Chairman expressed his thanks to the Co-operative for their support.

He continued, "It is essential that as a community-based organisation, we should communicate with everyone who can play a part in helping develop what we are seeking to achieve. This grant will assist us in meeting that goal".

The Partnership's web site is now in the process of being designed ready for publication.
